

# Be the Change

We have fallen in love with the people of Lazareni, in Bihor, Northwestern Romania. There is a large community of 400 plus beautiful Roma Gypsy people that need your help, love and action. If you enjoy working in a team and want to make a huge difference to a community then join us in becoming an **agent 4 change**.

**Volunteers for change!**

**Recruiting NOW for Romania**  
7 days to be a change agent in Europe

## The perfect short term mission trip for YOU!

- We have got a wonderful opportunity for you to partner with us by joining our volunteers 4 change program in 2018.
- Would you like to experience a totally different culture whilst making a LIFE CHANGING impact? If yes join us!
- We are looking for teams of between 6-8 people to do a short term mission.

For more information please contact our European Director

Gheorghe Galea: <mailto:gheorghe.galea@protonfoundation.com>

## Whats involved?

The cost per person is \$60 USD/day (inc. food, basic accommodation and local transport). All you need to do is book your flight and turn up!

(Not forgetting a little bit of paperwork!)

Proton Foundation V4C 2018

**MAKE A CHANGE IN  
THE ROMA VILLAGE OF  
LAZARENI!**

## What will I be doing?

We have a number of different projects that you can get involved in, there is something for everyone!!

Some of these include; street ministry, children's work or if you prefer a team building activity we suggest that you complete a House Insulation Project - check out our website for more details!!

"This week really has a part to play in transforming lives both for the family, the team and also for the community" St Andrews Team 2015

**You will get to meet some of these wonderful children!**
